Principal's Report - Mr. Scott Campbell.

This year we have a high number of students who must have an Individual Health Plan. If your child has a medical condition such as asthma or anaphylaxis we need the latest ASCIA and / or Asthma plan from your child’s doctor asap. All children identified as having a health condition should have received the latest forms last week from their child’s teacher. If not, please see the front office for support. All staff at BNPS are trained in emergency first aid and have anaphylaxis accreditation.

Anaphylaxis is a potentially life threatening, severe allergic reaction and should always be treated as a medical emergency. We currently have two (2) students with anaphylaxis enrolled at BNPS. Anaphylaxis occurs after exposure to an allergen (usually to foods, insects or medicines), to which a person is already extremely sensitive. As an additional precautionary measure we ask that parents and carers do not pack nut products for your children’s lunch boxes.

This Thursday we start one of our new student wellbeing programs for 2015 called “Yoga to Go”. This program will be run every Thursday during Term 1 and the goal of the program is that we are working on their fitness, interpersonal skills and their overall mental health. The first lesson is free so that all children can participate. We expect that the program will be really enjoyable for the students. Each child’s class teacher has a specific program outline if you require more details.

Next week three of our teachers are going to be trained for our new student leadership initiative called the Student Representative Council or SRC. Student Leadership was an area for further development flagged by the community at last year’s parent forums when we discussed the School Strategic Plan for 2015 - 2017. Mrs. Mandas, Mrs. Williams and Mrs. Spencer will be attending training in Sydney and will then return to our school and will implement the program across the school for the 2015 school year.

Swimming Carnival

Our Annual Swimming Carnival was held at Charlestown Swim Centre last Tuesday. The enthusiastic participation of our students and their supporters made for a very successful day. It was great to watch so many of our children swim in as many events as possible and to see a huge improvement in their swimming ability.

Wommara was narrowly judged the winning House in the War Cry, which set them up with bonus points, to start off the Carnival but the house point score changed many times during the day.

RESULTS
